 FOUR PERSON BEST SHOT TOURNAMENT
2024 IMPACT REPORT

Now in its 4th year, the Cedar Valley Angel Invitational continues to grow year over year with participation and sponsorship involvement! Many of the participants are angel families and the majority of our teams are repeat golfers.

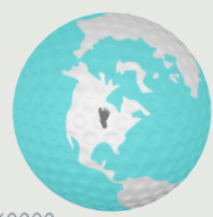

“I love seeing my husband connect with my living children through coaching their teams or taking them along to teach them some of his favorite things, whether it be on the golf course or out in the deer stand. The Angel Invitational provides a way for my husband to connect in the same way with our Angel, sharing his passion for golf in honor of Kody, connecting the two and filling my heart as a Mom and wife!”

 CELEBRATED

“NFTS has helped our family heal after a miscarriage, where otherwise we would only have had the “what ifs” of the future. NFTS golf tournaments have allowed some of our closest friends and family to get an insight into the grieving process of losing a child, how it affects everyone so differently, and how we can celebrate our angel babies.”
 -Rylan Timmons (golfer and loss dad)
