

# NO FOOT TOO SMALL

*Blooms + Butterflies*  
**IMPACT REPORT**  
 2024

A family favorite, this summer gathering brought together families in Central and Eastern Iowa, uniting them in love and celebration of their angels. More than just a day at the farm, Blooms + Butterflies allowed us to honor our grief with joy, creating lasting memories for everyone in the family.

What a beautiful day celebrating our angels! Being an Angel Dad takes a little bit of creativity and A LOT of love. Last night with No Foot Too Small and other grieving families, we were able to send off some butterflies to our angels at our annual Blooms & Butterflies event in Iowa City. A small gesture with a large impact.
